How the OFF Fringe works

FOR VIEWING ONLY

Accepting Companies. Priority for acceptance of OFF Companies is based on a first-come first-accepted basis, depending on the feasibility of your project and up to the discretion of the festival's Executive and Artistic Director. We hope to be able to accept all companies wanting to present an OFF Show, but as OFF shows require a particular kind of care, we limit it to the amount of extra venues we believe we can handle. Applying does not mean your show will be accepted. Please be in touch with us at artistes@montrealfringe.ca if you are considering applying.

Your Company. To ensure equitable access to the festival, FringeMTL will only accept one show per company. If you send more than one OFF application, only one will be accepted. You may not change the name of your company after we receive the application form. It is strictly forbidden to sell or give away your slot to another company.

What the FRINGE does for OFF Companies

- We provide Advance Box Office services;
- We include your venue in our Insurance Policy;
- We list your show in the FringeMTL Program, Official Schedule & Website;
- We provide access to our Media List and Press Package;
- We invite you to attend all the FringeMTL 2026 workshops;
- You will be invited to perform in the Fringe-for-All press preview show and other promotional opportunities.

What you do

- You apply and pay a Festival Fee based on the capacity of one of your performances;
- You find and pay for your own venue, equipment and technician. (FringeMTL must approve your venue for safety and insurance reasons);
- You rehearse your show;
- You publicize your show (we give you workshops and media lists to help you);
- You set your own ticket prices (up to a maximum of \$15) and you keep 100% of that (we add service charges of \$4.00);
- You provide your own Front of House staff (who we will train before the festival);
- You decide your own schedule and how many shows you want to perform between June 3 - June 21, 2026. Please note that shows may start at 12 noon at the earliest, and end by midnight at the latest (9:30 pm on June 21, night of the Frankie Awards!).

FOR VIEWING ONLY

THREE KINDS OF SHOWS - Site Specific, Outdoors and BYOV

A **Site Specific** show is one that cannot be done in one of our regular venues. In the past these shows have taken place in a pool hall, as two characters played a game of pool, or a parking lot, or in a kitchen or living room. They are non-traditional shows in non-traditional spaces.

An **Outdoor** show takes place on private or public property at an outdoor location. Examples include walking tours, balcony performances, roving performances, garden/courtyard events and more! It may be difficult to acquire permission to perform in an outdoor setting. If you are thinking of this option, we highly recommend you contact us to discuss how to go about this.

A **BYOV** show takes place in a traditional venue that you rent yourself. It would be a good idea to team up with another company or companies to share a venue. A venue can be whatever you want it to be, but how many tickets you will be able to sell will depend on how closely it conforms to the festival's Fire Regulations. First and foremost, location, location, location. In order to maintain a festival atmosphere we ask that all the venues be within walking distance of the Fringe Park located at the corner of Saint-Laurent blvd. and Rachel St.

FAQ

Where should I look for a venue?

The festival perimeter is generally Ste-Catherine Street along the South, St-Denis Street along the East, Parc to the West and Fairmount to the North. This is a fertile breeding ground for cafés, bars, lofts, empty storefronts and art galleries. Many of them have varying degrees of lighting, sound, and stage equipment already available. This year, we are also using Le Théâtre Comédie de Montréal (1113 Boul. de Maisonneuve E, Montreal, Quebec H2L 1Z6) and we invite you to look in that area as well. FringeMTL is open to OFF artists using venues that aren't located within the festival perimeter, and each venue will be approved on a case by case basis.

So, I'm just supposed to walk into a bar or gallery and ask if I can do my show there as part of the FRINGE? Absolutely! You could be surprised about how receptive people are to the arts in Montreal. If they decline, just take it in stride and hit up the next place!

What kind of deal should I be working out with them?

This varies. Some bars are happy enough to let you perform for free before 10:00pm. You keep the door; they keep the bar. Some places will insist you only do Pay-What-You-Can, others may want a split of the door. YOU are responsible for whatever deal you make with them.

MAKE SURE YOU GET EVERYTHING IN WRITING!!

We will need a copy of the contract. Email artistes@montrealfringe.ca for a sample contract if you need one. Remember, if something feels too good to be true, it probably is. If something feels fishy, follow your instincts. Most bar owners and landlords are business people... business people are not known for their altruism. Make sure you protect yourself. If you want to run something by the Fringe for a second opinion before you sign anything, feel free.

Can the FRINGE give us equipment?

Unfortunately not – OFF companies are responsible for their own venue and equipment. We might however be able to help you locate what you are looking for. Just email artistes@montrealfringe.ca.

How much should I expect to make?

In recent years, OFF shows have done increasingly well, but they can still be a hard sell. Doing an OFF show means extra work and extra risk because you'll be finding, renting, equipping and staffing your venue at your own expense and then promoting your show to make back the extra costs. We recommend teaming up with other companies in your venue!

How do ticket sales work?

FringeMTL will take care of your Advance sales. Tickets will be available by phone, online, or at the Central Box Office. FringeMTL will NOT sell tickets at the door of your venue. This means you are responsible for your own door sales (finding your own venue manager). You will have to provide a person (who we will train) to sell tickets at the door starting one hour before your show. This is another good reason to team up with other OFF companies, your partners can sell tickets for your show; you can sell tickets to their show.

Great! Are there any advantages to doing an OFF show?

You get to make your own schedule with performances from June 3 - June 21, 2026, which may start at 12 noon at the earliest, and end by midnight at the latest (9:30pm on June 21, 2026, night of the Frankie Awards!). Our regular shows get six performances at a variety of times. An OFF Company could potentially perform every night at 8:00pm, or every night at 8:00pm and 10:00pm!

If I applied to the A-Z Lottery and made it to the waitlist, does my Administration Fee carry over?

Absolutely! If you have already paid the Lottery Fee to be a part of the A-Z Programming and wish to apply to OFF Fringe, you will not have to pay the Administration Fee a second time. Please write to artistes@montrealfringe.ca to receive the application form.

In order for your application to be complete, we require:

- Payment of your Pick-your-price Administration Fee;
- Filling in the application form (this form will be available by clicking the link on the receipt you will receive by email receipt once your Administration Fee has been paid);

Once we have all of these, we require:

- Payment of your Festival Fee (sliding scale based on your venue capacity, see below)
- A copy of your contract with your venue (to be uploaded on Eventotron, which you will access to once you have been accepted).

Payment Method

We encourage applicants to pay via e-transfer (info@mainlinetheatre.ca) or check (with an in-person meeting). All payments must be completed by February 27, 2026 at 5:00pm (and October 31, 2025 at 5:00pm for the OFF Early Bird Special). If you require any assistance or need to discuss alternative methods, please contact artistes@montrealfringe.ca.
